intelgence by this arrival: Te most striking event, since the last packet

left the death of Bernadotte, King of Sweden. warme exception of Rount, he was the last surbody of men, who, with the ambition, inherited the silitary genius of their leader. The defunct monrch, although not the most bright, was the of Willmer & S-oth, Liverpool, contemplates vismos fortunate of the Generals, and it is creditaliting the United States and Canada in the course ble b his talents that from a common soldier he became a sovereign-one of the right sort, too, wheleft his subjects more numerous, happy and properous than he found them.

Queen Christina met her daughters at Aranperon the 21st, and the scene at the meeting is stand to have been very affecting. Whether this ambitious woman will be able to calm this ambitious woman will be able to calm the perturbed spirit of the Spaniards remains to be seen; but so wretchedly distracted is the country, such a blot is it on the civilization of Europe, that even her appearance in the thing to the events of Gwalior, but the return of Spanish capital may be regarded as a blessing, if the army within the British territory, with the arit is accompanied with so desirable a result - tillery and other contributions obtained from the Three is a "screw loose," it is said, between the State, and the formation of the subsidiary con-Brish Cabinet and the great Powers of Russia, tingent to be commanded by British officers. Pressia and Austria. The Queen cannot, in consequence, go to Prussia this year, as she in- 12th of January, is purely commercial, and not as tended. The misunderstanding has its origin, it is said, in what is believed to be the too friendly focing on which England and France stand toward each other-a friendship which was cement-

ward each other—a friendship which was cementedity Queen Victoria's visit to Louis Phillippe last
Summer, and which His Majesty proposes to retarn this Summer.

At this cordiality, even the veteran diplomatist,
Maternich, professes to be offended. So runs
the gossip. This does not at all accord with the
runor that the Emperor of the Russians will visit
ranged and next month. Guizot, it will be seen,
fum a recent vote of the Chamber, enjoys the
propect of another year's tenure of office; but
the policy of French legislators, like a house of
cards, is very insecure as a foundation on which
to rest—a breath may blow it to pieces.

> scription and dictation. The Elector for this District is Arthur L. Magenis-known as the self-styled "Missouri Earthquake"—the same character who had a street fight with a cabman in your City about eighteen months since, and was fined severely for INDIA AND CHINA .- The telegraphic announce the act by your Police Court. He was shortly ment preceding the Overland Mail of the 1st of March, reached Paris on the 1st of April. It was was there for some months raving mad. Some time since he returned to this State, and being in all respects a miniature edition of Benton in all the essential traits of bullying, dictation and political ferocity, he has been rewarded for his like ness to his political master with the post of Elec-

tor. His Whig opponent is HENRY S. GEYER, Esq. one of the best read politicians and most powerful stump orators in the West. Many of the most sensible Loco Focos are already deplorpeer when they take the field for the hard-knock. ing canvass of the District. The only wonder is that Magenis should have suffered himself to be placed in a situation in which he will be most mortally bruised before he has met his Electoral Losson Money Market, April 3.—The Money Market during the last fortnight has been gradually advancing, until Consols have yesterday and to-day reached the extraordinary tors in this State are already in the field and drawing immense crowds, even of Loco-Focos, to listen to the truth. Much political good will be accomplished by the energetic men in whose hands the important trusts of the State Elector. ship have been confided by the Whig party of

> Before the Loco-Foco State Convention adjourned, they passed a resolution to the following effect . "Resolved, that we will support no man who is a candidate for a seat in the Legislature of this State at the next session, who does not publicly pledge himself to vote for the reelection of Thomas H. Benton and David R. Atch. ison to the Scoate of the United States." If these gentlemen who composed that Convention desire, as they do, to make this an issue in the coming contest, so be it. Thomas H. Benton will not be returned to the Senate. That large portion of the Loco Foco party in Missouri, head ed by Judge Allen, the Independent Loco-Foco candidate for Governor, and Penn, the influential Editor of the Missouri Reporter, are pledged to go against Benton and Bentonism in every shape and phase. The Whigs and Softs (as the anti-Benton Loco-Focos are called,) will, without any reasonable doubt, have a majority in the next Legislature, and depend upon it, Benton will be defeated.

the declaration of their assent is until the 20th of April; and, as already nearly four-fifths in amount have assented, this great measure may be considered as definitely carried, and a saving of £025,000 a year thus secured to the country.

In the Forcera market there had been inthe charge of importance. Dutch and Belgian Bonds are steady on the measures of reduction in bondly; the reference in which the measures of reduction in bondly; the referred takes a property of the capturington of the ever decrease. For the capturington of the ever decrease (Compons is still entertained. Three per cent. State of the strength of the property of the former to £5, the latter to 16½. South American layer also unproved; the former to £5, the latter to 16½. South American layer also unproved; columbiant, ex Venezaela, have risen to 15½; and Venezuela Active and Deferred are sought for at improved the second of th The principles which are to turn the scales in our August State Election have been announced by the recent State Convention, and the sovereign and aroused people of Missouri will repudiate proved rates.

UNITED STATES PUBLIC SECURITIES.—The business done in United States Bonds has consisted of the following; our quotations being the latest obtained:

Distance latest and lat

them utterly and signally.

The "Mill Boy," the popular Clay paper issued weekly from the "Republican" office of this & city, is spreading like wild fire in the Loco-Foco camp. Already it has upwards of eight thou. sand subscribers, and every mail from the interior towns pours in long lists. The most gratifying part of the matter is this-that nearly one haif of the entire number of subscribers are liberal-mind-

ed and truth-seeking Loco-Focos.

The indications from all parts of the State are such as cannot but gladden the heart and cheer the hopes of HENRY CLAY, and the sterling friends of "the true American Teriff." This Tariff United States Bank. 21 2 0

LIVERPOOL COTTON MAKKET. March 29—The prices declared by the Committee of Brokers that week for last Cotton are—Bowed 57,d. Orients 60.
We reduce our quontitions of American Cotton this week ½d scalls, for State 5,d to %d per 16, and we may also notice that Brazis and Expotants are tather cases to buy, but not so much mist be quotable. Sea Islands on the other hand are 5,d per institute to the control of the Market closes by the not set to other me 6,000, and the Market closes by the host vices to other me 6,000 and the Market closes by the host vices to other me 6,000 and the Market closes by the host vices to other me 6,000 and the Market closes by the host vices and 120 Surat, and for exportation 500 American. Forwarded mate the country unsold during the month, 1300 American, 220 Pernam.
Cortron Market, the trade have brought very sparingly, and although some speculative business has been done, it is not sufficient to present prices declaring. We reduce our quotations 5,d per 16, and in some instances ¼d per 16, especially on the lower qualities of American, Brazil and Surat, in which saids have been. The total sales are 17,000 begs, of which 14,700 are American, and 1,120 Brazils. Speculators have taken 3,900 American and 200 Surat.
Cortron Market, April 25—The transactions in Cotton since Friday inst have seen on a very modernte scale, and the market has received totte support from speculators. To-day, howquestion is exciting immense attention among our farmers along the Missouri, Gasconade and Osage. In the early part of the Summer Whig Mass Conventions will be held in the North. Centre, and West of this State. In June, the Whig Young Men of Missouri meet in Mass Convention in this city. The Whig Ball is in glorious motion here, and we believe that if we to what lies in our power, that even awakening Missouri will send up a thunder shout from the prairies for the gallant statesman of Kentucky. The "Whig flints will be picked again" and th sleek Fox of Lindenwald will be found himping with at least one broken leg, as he pushes home-ward from the hunting-fields of the West.

CRASH .- The rickety old bridge over the canal slip adjoining Coit, Kumberly & Co.'s warehouse, tumbled down this forenoon under the pressure of two tavern omnibusses, one carman's cart, end five horses. These, with many other vehicles were driven at great speed to follow a steamer which had gone up the harbor, when the whole mass fell in together. Nothing injured except the horses, which suffered some from the falling frag-[Buffalo Com. Adv. 18th. DROWNED .- Yesterday morning a Mrs. Cousi

dan was found drowned in the race of the Falls Mills. She was about 40 pears of age. Also, at the same time and place, the body o an infant-minus of head, arms and legs-n trace to the means by which it came there.

Kentucky-Home Manufactures. To the Editor of The Tribune:
The record The Tribune: The new factory mentioned in my last as about to be erected for the manufacture of heavy brown sheetings, is to be increased from 1,500 to about to be erected for the manufacture of heavy been engaged by the Committee, and will be kept open during the year, as the House of Recognition at this Cary for their political framework styles or patterns meet ready sale. There is the demand for the fiver descriptions of plann cloths. The Wood market is rather queter than it has at rices and prices the wooden to the stated, that our citizens are all alive to the importance of manufactures to the growth and permanent prosperity of a city, and fully impressed with the favorable position of ours as a processing special framework and will be specially the year, as the House of Recognitive, and will be kept open during the year, as the House of Recognitive, and will be well been engaged by the Committee, and will be kept open during the year, as the House of Recognitive and the year, as the House of Recognitive and the year, as the House of Recognitive and will be well as the year, as the House of Recognitive the year, as the House of Recognitive the year, as the House of Recognitive that the year, as the House of Recognitive the pressed with the favorable position of ours as a manufacturing point.
